|----------------------|---|
| Personal Precautions | Wear personal protective clothing including respiratory protection as warranted. Do not touch or walk through spilled material. Do not touch damaged containers or spilled material unless wearing appropriate protective clothing. |
| Environmental | Avoid release to the environment. |
| Precautions | |
| Containment Methods | Use dry chemical, CO2 or appropriate foam. Do not touch spilled material. Reduce waters with water spray. Contain with foam. |
| Cleanup Methods | Remove sources of ignition. Isolate area. Ventilate closed spaces. |

| Section 7 | HANDLING AND STORAGE |
|---------------------|---|
| Handling Procedures | Keep away from heat and ignition sources. Use only with adequate ventilation. Wash thoroughly after handling. |
